2026-85 - Chilworth Station - Visitors Map and Lectern on the Station Green

Cllr Mrs Allen gave a report on the Teams meeting with Network Rail (NR), the Community Rail Partnership and two other members of the North Downs Line Steering Group on 17th June 2026.

Discussions are still ongoing about a site for the Lectern for the visitors' map and also a site for the commemorative wooden seat relating to Jessie's Seat (in recompense for the damage that was accidentally caused).

The situation is very difficult as GWR and NR do not want anything at the Station itself, or immediately outside it, or on the walls of the Station House. At the moment NR is asking Surrey County Council (who own the strip of land between the A248 and the main part of the station green) if a lectern can be placed on their land. The current proposal is for:

- A wooden lectern with the visitors' map to be placed between the station bus shelter and the NR train sign (opposite the Percy Arms). In order to face north/south for it to be easily read it would need to have its back to the A248 and have the tarmac area extended so it could be used by anyone in a wheelchair.

Failing that the map would be placed inside the platform shelters and one on the south board of our bus shelter as previously discussed with Parish Councillors.

The idea of a Jessie's commemorative seat has been put on hold. GWR and NR are unwilling to have it on their land immediately outside the station. They are going to be approached once more to see if they would agree to it on one of the platforms.
